

## VILLA SIENA SKILLED NURSING FACILITY

**VILLA SIENA**  
 1855 MIRAMONTE AVENUE,  
 MOUNTAIN VIEW, CA 94040

Hohbach-Lewin, Inc. and Barker Associates have completed the design, and now Devcon Construction has begun construction of this new \$20M expansion to the Mountain View Villa Siena Senior Housing Facility and OSHPD Skilled Nursing Facility and Central Plant. The expansion includes a new 65,000 SF two-story, wood framed Assisted Living Center, a 20,000 SF, 30 bed Skilled Nursing Facility and a new Central Plant which will ultimately service the entire campus. Both the Skilled Nursing Facility and the Central Plant are under the jurisdiction of OSHPD; the Assisted Living Facility is regulated by the city of Mountain View building department. The new Assisted Living Center includes first floor cafeteria dining and a basement level that houses both a full service kitchen and large laundry facility.

Construction scheduled for completion in 2010.
